

Why Choose Selfie?

The Selfie is a sleek, go-anywhere, do-anything, two-station restroom trailer that comes with all the amenities of your very own bathroom and the spacious, roomy interior is a pleasant surprise! Standard trailers come complete with flushing toilets, stainless-steel sinks, wide counter tops, mirrors, and bright ambient lighting. For those wanting to upgrade, add AC, additional heat, a sound system, water heater or aluminum wheels.

Satellite Suites built the Selfie to accommodate small parties and events up to 150 people. Using one simple electrical plug or the solar upgrade, the Selfie can operate all day with a full fresh water tank. For larger and longer events, hook the Selfie up to a fresh water source, electric outlet and sewer drain, and party on!

Why Choose Selfie Slim or Selfie Pod?

The Selfie POD and Selfie SLIM were primarily designed for our overseas market. By eliminating the walkway, and axle for the POD, these smaller, two-station trailers fit nicely into shipping containers. Eight Selfie PODS fit into a 40' high cube container. The Selfie POD is also becoming a popular option when customers want a higher-end portable restroom indoors or for long-term rental. Examples are remodeling of bathrooms in large retail stores, refineries, vineyards and similar applications.

At Satellite Suites, we want to make adding a trailer to your operation simple, affordable and profitable. Selfie trailers do all this and more. When your customers experience the privacy and comfort of a Selfie trailer, it will be restroom they ask for when planning their next event.
